Paper that you'll need:

- Card base – Basic White card stock cut to 5 ½" x 8 ½", scored at 4 ¼" on the 8 ½" side
- Pumpkin Pie card stock for the frame piece is cut to 4 1/8" x 5 3/8".
- I used two more colors of card stock to frame my die cut pieces. They are Old Olive and Pumpkin Pie. In the example, the Old Olive piece is cut to 2 5/16" x 3 11/16". The Pumpkin Pie pieces are cut to 1 5/16" x 1 13/16" and 1 1/8" x 2 ½".
- The DSP that I used is from the You're a Peach collection. It was cut to 4" x 5 ¼".

Other Supplies that I used:

- Stitched Rectangle Dies to cut the pieces of your DSP
- Hydrangea Dies and Peach Dies (just one die from each!) – shop your stash for dies that you can use!
- Simply Elegant Trim
- Elegant Faceted Gems
